Academic achievement
  comparative studies of academic achievement
    Korea (South) and United States 531–625
  ethnic groups, Great Britain 309–310, 311–312
  predictors of success in college
    Colombia 411–416, 429–430
    cross-cultural research 403–408
    Estonia 353–395, 397–401, 405–406
    Finland 405
    research models 360–362, 365–371, 405, 429–424, 429–431
    Sweden 405
    United States 353–354
Academic achievement in mathematics
See Mathematics achievement
American College Test (ACT), as predictor of college success 357, 360
Antiracism
  Great Britain 308–311
  multiculturalism vs. antiracism 308–311, 313–315
Antiracist education, Great Britain
  multicultural education vs. antiracist education 305, 308–311, 314–315, 347
Asia, civic values 3, 113, 120, 121
Assimilation *See* Integration of immigrants and minorities

Australia
  citizenship education 1, 3, 80, 82, 83, 84, 88, 90, 91
  civic education 1, 3, 6, 77–91
  civic values 77, 80, 85, 87, 90
  community service by students 87–88, 91
  educational policy 273–280
  immigration 269–272
  integration of immigrants and minorities 269–280
  leadership education 77, 81, 82, 85, 88–89
  mainstreaming policy 269–273
  multiculturalism 269–280
    democracy and 275–280
    educational policy 273–280
    government policy 269–272
  private education 273–280
  public education 273–280

Bilingual education 249, 257
  see also Mother-tongue education, multilingualism
  Germany 257, 266
  Great Britain 307
Black culture, Great Britain 313–314
Brunei Darussalam, second language literacy programs 132–133, 155, 169–178, 239, 245

doi:10.1016/j.ijer.2004.10.007

Canada
citizenship education 1
civic education 1
second language literacy programs 148, 153, 155
Canonical multicultural education (CME) 331–342
cosmopolitan citizenship resulting from 339–342
culture defined by 333–337
knowledge construction theory 337–339
multiple perspectives thesis 339
predominant in United States, Canada, England, Australia 331
Certification (voluntary) of teachers 466–472, 479
Citizenship education 1, 2, 3, 5, 6, 29, 348
See also Civic education
Australia 1, 3, 80, 82, 83, 84, 88, 89, 90, 91
Canada 1
different from civic education 5, 120–121
England 1
Europe 1
Japan 3, 29, 41, 44
Taiwan 58, 60
Thailand 93, 94–100
United States 3, 63, 66–74

prediction of
applicability of this study in Estonia 357–363, 388–389, 392, 394
applicability of this study in United States 357–363, 388–389, 392, 394
college entrance examinations as predictors
American College Test (ACT) 357, 360
SAT 357–360, 357–362, 359, 360, 365, 368–370
conceptual models for predicting success 360–362, 365–372
grade point average (GPA) as success indicator 357–362, 365, 368–369

implications of the study 391–394
for college admissions decisions 353–354, 391–394
differences in United States and Estonia 392, 394
as predictor of grade point average (GPA) 391–392, 393–394
predictor variables for this study 360–363, 365–369
family background 360–363, 365–367, 369
nonverbal ability 360–361, 365, 366–367, 369–370
study behaviors and habits 360–363, 365, 366, 367, 368, 369
verbal ability 360–361, 365, 366–367, 369–370
results of the study 373–389
Collegiality in teaching 503–523
Communities of practice for teachers 487–488, 495–496
Conceptual change theory
conditions central to learning and development 653–656
relationship to persuasion theory 629–736
relationship to persuasion theory 629–736
change and persuasiveness of written text 651–671, 680, 734–736,
importance of learner's prior knowledge and beliefs on response to text 680
change effects of reading text about controversial topics 653–671
persuasion and acceptance of new concepts 701–703, 735–736
persuasion in education 709–713, 721–725
suggested integrated research approaches 725–727
research on conceptual change 718–720
Critical thinking
good citizenship and 327
multiculturalism and 284–285, 289–291, 327
necessary in a democracy 303, 320
not encouraged through pillarization 303
political reasonableness and 327
Cultural lag, Germany 255–267
Culture
defined by canonical multicultural education 333–337
multiple definitions of 251
toleration of specific cultures despite abhorrent practices 348–349

Democracy
characteristics, 348, 301, 303
multiculturalism and
Australia 275–280
